

"Fingleworth, your drug tests show you to be drug free, but also to be 3 months pregnant."

*In these  
economic times  
it's  
important to  
make wise  
decisions....*

**A DRUG-FREE WORKPLACE**

# A DRUG-FREE WORKPLACE IS NO USE.

You can combat drugs and alcohol at work.  
Don't use them at work. Then you'll win,  
and so will your co-workers.

You'll avoid safety risks, bad decisions  
and careless work habits. After all, the best way  
to take care of business is to take care of yourself.
