Hey Cayman,

We want to extend a special thank you to our sponsors, the RCIPS, media, other partnering agencies, restaurants, bars, and clubs, as well as residents and visitors of the Cayman Islands for a successful 2020 #ARRIVEALIVE345 campaign.

It was the second year the NDC collaborated with Hurley's Media to fuse three well known road safety programs (Purple Ribbon Pledge, Designated Driver, Purple Ribbon Bus) and created what is now known as the #ARRIVEALIVE345 don't drink & drive Campaign. 2020 was a monumental year as the NDC celebrated the 20th anniversary of the campaign.

This year we are pleased to announce that the number of riders in both Grand Cayman and Cayman Brac is a whopping 2,162.

The success of this campaign is attributed to the enormous amount of support from the community. We couldn't have done it without you, and we are excited about 2021 becoming our 21st year. We want to encourage you to continue #ARRIVEALIVE345 by making a commitment to not drink & drive in 2021.
