

**THE ENCHANTED FOREST
OF
FUNNY SPELLS**

Educator's Guide

Engage students in active storytelling by having them perform simple movements based on keywords in the story. This promotes listening skills, creativity, and physical activity.

1

Materials:

- Projector/Smartboard to display the story
- Open space for movement

2

How to Play:

- Introduce the Story: Explain the story title and theme.
- Example: "Grab your magic wands! We're entering the enchanted forest where funny spells."

3

Demonstrate the Actions:

- Quickly show the key movements for the story (e.g., wiggle, stomp, jump).
- Example: "When I say Twirl, Twirl like a magic spell spinning in the air!"

Read the Story:

- Display the story on device, emphasizing the action words.
- Pause to let students do the action (e.g., "Stretch and grow like a tree sprouting up").

4

Encourage Participation:

Cheer students on and make the story come alive with enthusiasm and sound effects.

Tips:

- Keep it high-energy and fun!
- Adapt movements for different age groups.
- Use teamwork by having students act together.

5

Wrap-Up:

At the end, do all the movements one more time for fun.

STORY TIME

Deep in the Enchanted Forest, the wizards were getting ready for their biggest magic contest. Wizzy the Wizard had a wand that could make anything appear with a giant **poof (students poof)**, and suddenly, a hundred tiny dancing frogs appeared! The frogs started to **twirl (students twirl)** around, spinning so fast they became tiny whirlwinds. Wizzy waved his wand again, and with another **poof (students poof)**, all the frogs turned into giant kangaroos that began to **hop (students hop)** around the forest, bouncing higher than the trees! But then, Wizzy's wand got stuck on super-grow mode! Suddenly, everything began to **grow (students grow)**, the trees, the mushrooms, even the flowers—they all stretched up to the sky. The enchanted forest became a giant playground, and Wizzy couldn't stop laughing at his magical mess!
